BROADCAST TO ALL DPA STAFF, ALL DPA STATE ASSOCIATES, AND  
DFYS ELIGIBILITY STAFF

FROM SYSTEMS OPERATIONS

**Mail Delay**

The United States Postal Service has advised us of Post Office closures and some delays in mail that is transported by air due to severe weather in the Anchorage area. At this point in time, it looks like some people might see a one or two day delay in receiving their mail. We will let you know if we receive word of further delays.

We are sorry for any inconvenience this might cause.
